In our approach to education, by equipping through on-campus, satellite campuses, distant learning, seminars, and online at [www.ctsonline.me](http://www.ctsonline.me), we believe our training is one of the most effective found anywhere. Our first goal is personal spiritual growth, preparing the minister to know God, not just know about Him, and our second goal is to equip the equipper to multiply his/her ministry into others, just as Jesus and the Apostle Paul did! (Matthew 28:19-20 & 2 Timothy 2:2)

Education is an investment, which pays dividends throughout life. We are delighted that you are interested in your own training and continuing education; thus, you will be better equipped to serve and train others. Additionally, through our degree programs your work will be recognized!

Thank you for taking the time to review our ministry. If we can assist you in any way, please let us know. We are here to serve you!

In His Service,
